

T/V - VERTICAL AND DROP ARM AWNING

BULLONERIE
INOX ANTIGRIP

*T/V is a vertical awning especially designed for loggias and patios.
The simple design together with a competitive price make this awning very popular
with our customers.*

An aluminium cassette can be added as an optional extra.

The awning can be wall mounted, installed on the ceiling or to the side .

This model can be either electrically or manually operated by spring or gear.
